INSTRUCTIONS:

Layer each Tan 2" x 7" rectangle with a different Green or Red rectangle RST, with Tan on top. Layer each with a strip of 1" finished triangle paper and proceed to make 6 HST units.

***NOTE:** Triangle Paper has been included in our kits. If you would like to purchase Triangle Paper from us please visit our website. You will need 1" finished Triangle Paper. If you choose not to use the triangle paper, you will need to cut your squares 1⅞" from each fabric in the quilt. Proceed to use the method of your choice in making your half square triangles. We strongly suggest using the Half Square Triangle paper as they are **VERY** accurate, fast and easy to use. HST units will measure 1½".

TRIANGLE PAPER STITCHING INSTRUCTIONS:

- Cut apart sections according to pattern.
- Lower stitch length to about ½ your normal stitch length.
- Stitch on dashed lines.
- Cut apart on all solid lines including the edges.
