STITCHING/APPLIQUE CLASSES (Lisa Bongean) – Lisa will design three new “exclusive” projects for this retreat! No sewing machines required – all handwork!

As soon as the samples are completed – we will share through social media. We know that each of you are excited to see what she will surprise you with! (me too). Her designs NEVER let students down... they love all of them!

BASKET CLASS (Gloria Parsons) – You will weave (even 1st timers) a basket from scratch and go home with a finished product! Once woven, you’ll learn the technique of applying a whitewash finish for that Farmhouse look. Is Farmhouse NOT your style? You are more than welcome to leave it natural or techniques will be discussed on how to finish in an antique – wooden appearance.

If weaving is “not your thing” or your hands won’t allow this type of crafting – be sure to let us know on the registration form and we’ll make the basket for you and bring it to the retreat. (\$100 fee)

The basket will be designed by Gloria Parsons who has taught hundreds of people to weave since she began this fun craft in the 80’s! If you’ve never woven before, now is your time to give it a try!

One of Lisa’s retreat designs will complement the basket!

CAUTION: Please do not wait too long to enroll in this retreat. The last time we were in this same location (2017) it was completely full in less than 3 weeks (50 students). All you will owe when registering is your initial deposit.

We have designed a payment plan for you – it’s a great way to pay for the upscale retreats so you CAN ALL ATTEND!

If you have questions, call Gloria Parsons (904)742-1100 or email at oldgreencupboard@aol.com.
