Cross Training
by Jenelle Kent of Pieces to Treasure

The Cross Training Block combines squares with three corner units to create a striking, interlocking design. The crisp lines and repeating shapes give the block a sense of order and movement, reflecting strength and balance.

Piecing Instructions

Step 1

On the wrong side of each A square, draw a line from one corner to the opposing corner as shown.

Line up (2) A squares with opposite corners of B square, right sides together, as shown. Stitch on the line, or just a thread's width outside the line. Trim away ¼" seam allowance, and press to the A triangles.

Repeat on third corner. Make (2) A-B Diagonal Post units with seams pressed OUT to the A triangles.

Make (2) A-B Diagonal Post units with seams pressed IN to the B squares, so the seams will nest when assembled.

Repeat all steps to also make (4) A-C, (4) A-D, and (4) A-E Diagonal Post units, each with half of the seams pressing OUT and half pressing IN.

Trim units to 2¾".

Make (2). Make (2).

Make (2). Make (2). Make (2). Make (2). Make (2). Make (2).
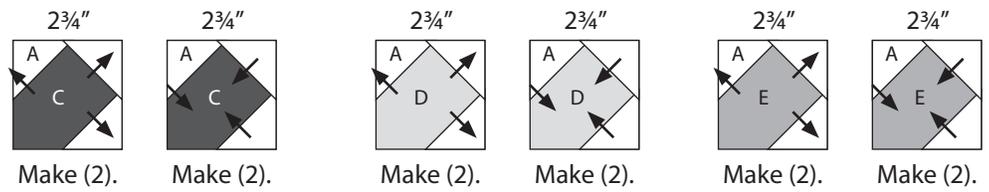

Step 2

Lay out A-B Diagonal Post units as shown, so that the seam direction alternates around the unit.

Join to form the A-B X unit, noting how the seams nest together nicely. Press seams open.

Repeat to make A-C, A-D, and A-E X units.
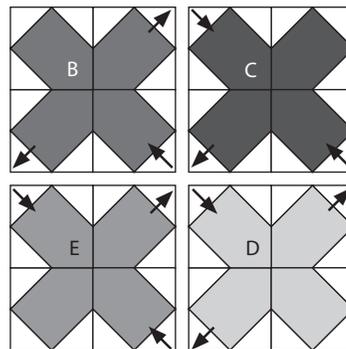

Trim units to 5".

Step 3

Lay out X units as shown, so that the angled seam directions alternate where the units join.

Join X units to form the block. Press seams open.

Trim to 9½".
